THE SENIOR CLASS
NORTH MUSKEGON HIGH SCHOOL

*North Muskegon, Michigan*

# A Backward Glance . . .

On the threshold of North Muskegon's 25th year as an educational institution, the Norseman presents a glimpse of the high school today. It is hoped that by a review of clubs, classrooms, parties, and athletic games, the Norseman will serve as a record of past events for the upperclassmen and as an indication of forthcoming events for the underclassmen.

## "THEIR WORK IS NEVER DONE"

THE BOARD OF EDUCATION

Ray B. Withey, Trustee; Charles S. Prescott, Trustee; Doris Sheldon, Treasurer; Joseph M. Ferrell, Secretary; Wayne Eikenberry, Superintendent. Inset — Marion L. Bradbury, Jr., President.

Endlessly devoting their time and experience to the affairs at North Muskegon High School, our Board of Education has found the above saying to be their motto. The Class of '55 wishes to express its gratitude for the Board's help in making every school year a pleasant, smooth and profitable experience.

Mr. Eikenberry is a man of relatively few words but of much action. The Class of '55, being his second graduating class at North Muskegon, has seen only a few of this man's dreams realized.

Working with the Board and Mr. Eikenberry is Miss Joldersma, who helps run our school system in an efficient manner.

**. . . and our Superintendent**

Mr. Wayne Eikenberry — Superintendent and Miss Louise Joldersma — Clerk.

## They are aided in the High School by

Mr. Kelly Dunsmore — Principal and Mrs. Barbara Cole — Secretary.

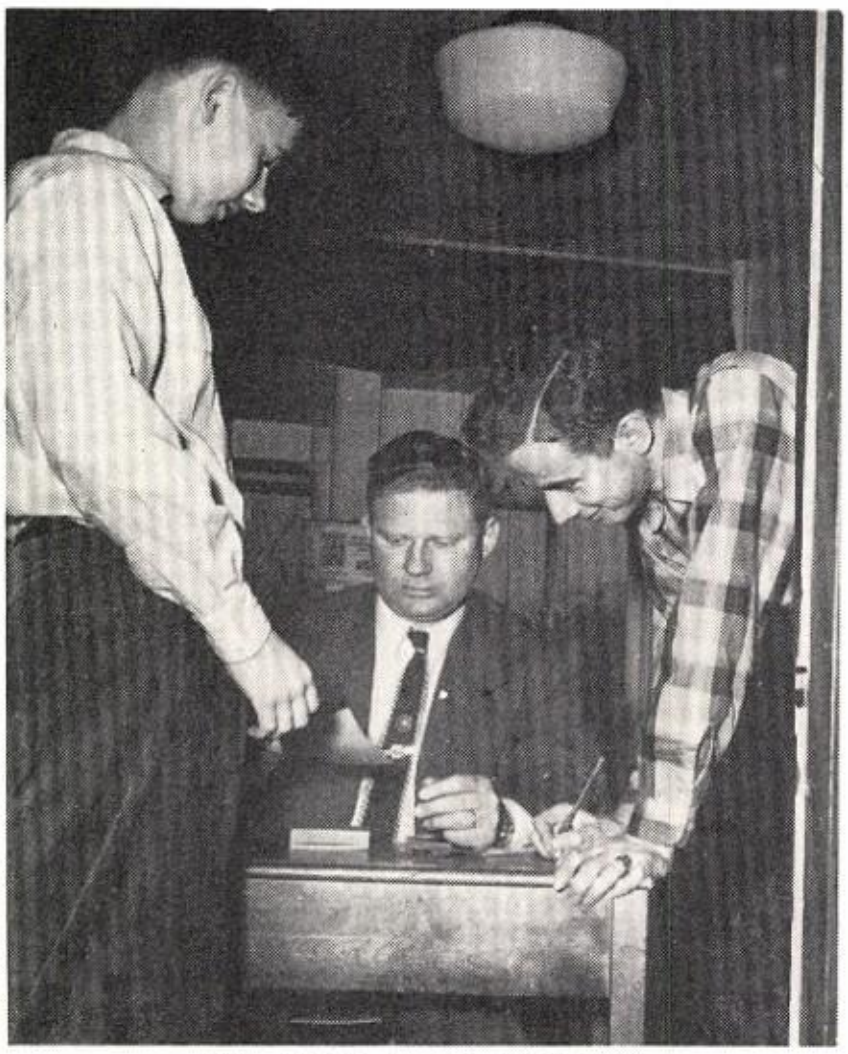
### . . . OUR PRINCIPAL

Mr. Dunsmore has given us his undivided attention throughout our high school careers. From years of experience he has gleaned bits of wisdom which have helped guide us in the right direction. A fine sense of discipline mixed with good humor best describes our principal. May the Seniors always live up to the high standards set up by K. D.

Not to be forgotten is Mrs. Cole, the registrar, better known to the students as "Barb." She is always cheerful and willing to help anyone.

### . . . and our Guidance and Attendance Director.

Each day countless questions concerning absence and tardy slips, courses, and colleges are hurled at our guidance and attendance director, Mr. Jozsa. He not only answers these questions but also gives helpful advice about personal problems. His patience, friendliness, and understanding well-qualify him for this position. Although he has served in this capacity for only a year, his presence is already deeply felt.



Mr. John Jozsa (Center)

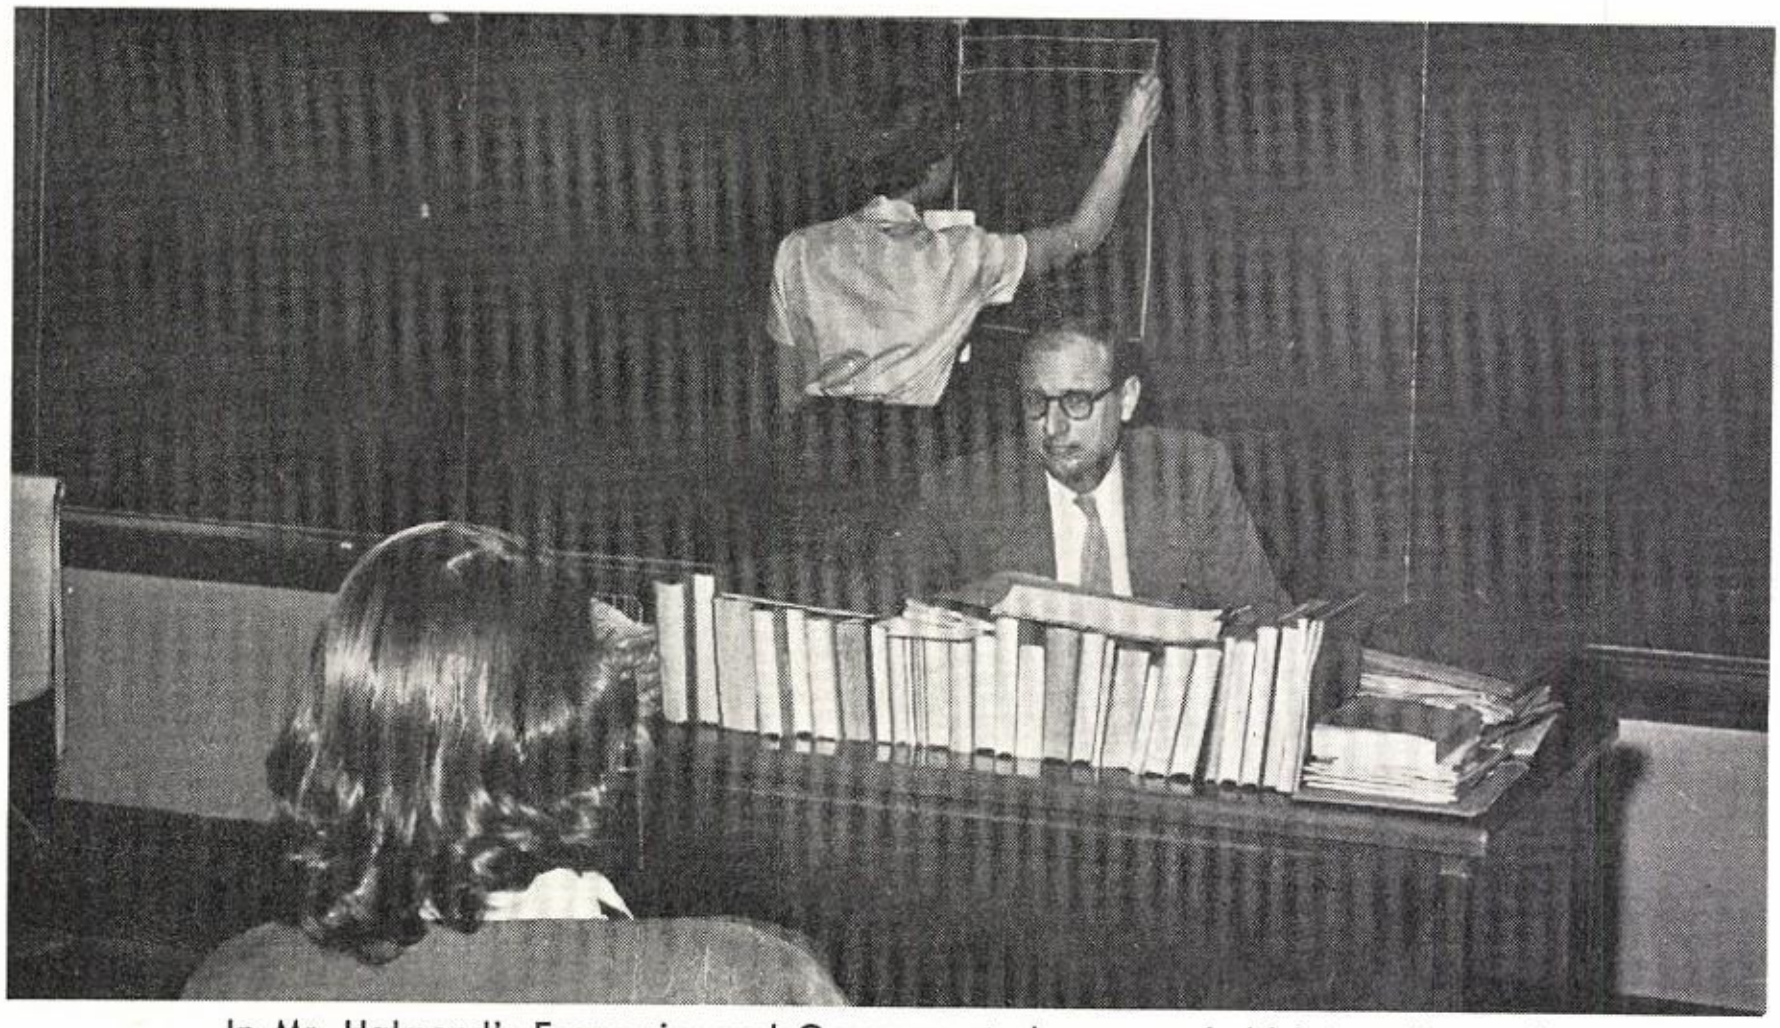
They helped to lead us through our final and most important year. Dave Nelson, Vice-president; Lois Smith, Secretary; Diane Wilkie, Treasurer; and Dale Gish, President.

We worked hard to make our Junior Prom the most wonderful night of the year.

We went "all out" for our last Student Council election.



In Mr. Halmond's Economics and Government classes we held interesting and informative discussions.

Various problems in Physics taxed the brains of those in Mr. VanHoesen's class.

Miss Lorandos and Mrs. Wathen helped mold future secretaries in their commercial courses.

Although our meetings weren't as frequent as in our Junior year, we made some important decisions, such as that of the class gift to the school.

Behind the scenes.

Everyone but the weatherman cooperated to make the 1954-1955 Homecoming a success. At half-time co-captains Dave Bliss and Dick Schuiteman presented Queen Betty Sodini with a bouquet of roses. The former coaches, Paul Moyes and Lyle McNitt, and present coach, Duncan Lectka, received blankets. Former coaches Earl Myers and Robert Bushong were unable to attend but Norsemen blankets were sent to them. To make the evening complete, the Norsemen defeated Montague 52 to 7.

# Record Breakers

Several school records were tied or broken this year in both football and basketball. Here is how the new records stand:

**Stan Guy** rolled up 1381 yards from scrimmage to set a new record. He also set a new scoring record of 150 points which made him leading high school scorer in the State.

**Dick Schuiteman** tied Scotty Moore's record of 25 extra points from placement which was set in 1953.

**Gordon Odell** set a new scoring record for basketball of 53 points in one game.

Five of the eleven boys chosen for the All-Conference football team were from North Muskegon this year. They were:

Stan Guy — halfback
Ron Simonelli — halfback
Dick Montgomery — guard
Dave Bliss — end
Tony Nord — tackle

Two boys from our school were also chosen for the All-State football and basketball teams. **Stan Guy** was named All-State halfback for the second year in a row. **Gordon Odell** was elected to the All-State basketball team because of his fine job this last season.

TO THE CLASS OF '55

Meet Edwin E. Cowles, Employment and Safety Supervisor, of Sealed Power. He, like you, graduated from North Muskegon High School. However, he was a member of the graduating class of '39. The story of his successful career is a story from which you can draw inspiration and guidance, for his problems following graduation, were not unlike those which currently confront you.

In the near future you must make some important decisions about your future, just as Mr. Cowles did some years ago. No matter which path you may chart for your life, we invite you to consider Sealed Power as offering opportunities to alert young men and women.
